

COPYRIGHT CLAIMS BOARD

Law School Clinic Public Directory Information Form

The Copyright Claims Board (CCB) is an alternative forum to federal court in which parties voluntarily seek resolution of copyright disputes where damages are \$30,000 or less. To facilitate this low-cost alternative to federal litigation, the CCB will maintain a directory of law school clinics that provide legal representation before the CCB on a *pro bono* basis. This directory will be available on the CCB website as a resource for CCB participants.

NOTE: A law school clinic does not need to be listed in the directory to participate in proceedings before the CCB (37 CFR § 234.2(a)).

Clinics wishing to be listed in the CCB clinic directory should provide all of the requested information below. The CCB requires this information because we would like to provide CCB participants with the information they need to make an informed decision regarding whether to seek law school clinic assistance. In addition, the clinic will have a duty to maintain the currency of information in the directory and to confirm the information on an annual basis.

The law school clinic director must send the completed form to asktheboard@ccb.gov. Please type your answers directly into the form. Do not hand write your answers. Thank you.

MORE ON BACK

PLEASE PROVIDE A BRIEF STATEMENT DESCRIBING THE CLINIC'S INTEREST IN HANDLING MATTERS BEFORE THE CCB. ▼

Students in the UNH Law IP and Transaction Clinic enjoy a comprehensive trademark experience with the USPTO Law School Clinic Certification Program and the students report finding rewarding the opportunity to help new entrepreneurs understand and secure the trademarks that can forward their business goals. The Clinic is currently trademark-heavy, however, with copyright registration and counseling projects making up only a small percentage of the work the Clinic completes each semester. Many students in the clinic have also taken copyright law prior to enrolling in the clinic and those students would benefit from and appreciate a broader copyright undertaking. Copyright matters are currently and will continue to be assigned only to those students who have completed a copyright law course.

There is currently no civil litigation clinic at UNH School of Law. However, Professor Cassandra LaRae-Perez has prior litigation experience in private practice and is capable of guiding students through the litigation process. Professor Edward Timberlake has private practice experience in copyright law and worked as a copyright examiner in the past (far enough in the past that his participation will not create a conflict).

PLEASE PROVIDE ANY ADDITIONAL INFORMATION HERE. ▼

☒ I HEREBY CERTIFY THAT ALL STUDENT REPRESENTATIVES PARTICIPATING IN CLINIC MATTERS BEFORE THE CCB WILL MEET ALL REQUIREMENTS OF 37 CFR § 234.1(a).
